

Following Jesus Down & Away

Mark 10:35–45

Connect With One Another

- **Icebreaker:**

What is one way you feel the need to grow that goes against the grain of your personality?

- **Sermon Question:**

What did you find encouraging in this Sunday's message?

Look at the Scriptures

- In what specific ways did James and John demonstrate that they misunderstood Jesus' mission and what it meant to follow Him?

Apply to our Lives

- Jesus says that true greatness is found in serving others. How does that definition differ from the way our culture defines greatness?
- In what areas of your life, either in the past or present, have you found yourself pursuing recognition, status, or getting your own way rather than serving and sacrificing for others?
- Thinking about the future, where is Jesus asking you to follow Him more closely? What would it look like to choose service and sacrifice in that area rather than seeking your own way?

Pray for One Another

- Pray for one another's needs and for opportunities, courage, and wisdom to follow Jesus' example of sacrificial service this week.
