

Going From Blurry to Clear

Mark 8:22–9:1

Connect With One Another

- **Icebreaker:** Back in your school days (whether high school, college, or another educational experience), what was the toughest subject for you? What made it difficult?
- **Sermon Question:**
What did you enjoy most about this Sunday's sermon?

Look at the Scriptures

- In **Mark 8:22–9:1** two stories are highlighted: the healing of the blind man and Peter's declaration that Jesus is the Messiah. What do these two stories have in common, and how do they relate to the theme of discipleship?

Apply to our Lives

- How does understanding discipleship as a lifelong process change the way you relate to difficult seasons in your life as a disciple (such as failure, doubt, reluctance, or slow growth)?
- Where have you seen growth over time in your understanding of and obedience to Jesus? Can you share specific examples?
- In what area of your discipleship do you feel you're still "seeing blurry" where your understanding, obedience, or trust in Jesus isn't yet clear?

Pray for One Another

- Pray for one another's needs and that we would grow in clarity as we follow Jesus.
