## Connect With One Another

- **Icebreaker:**

If you were to show someone around your hometown, what is the first place you would take them to that holds meaning for you?

- **Sermon Question:**

What do you remember most from Sunday's message?

## Look at the Scriptures

- In this passage, Jesus is once again indignant with the disciples. According to **Mark 10:13–16**, what is driving His reaction?

## Apply to our Lives

- Who are the people in your neighborhood, community, or at Trinity Bible Church that you tend to overlook or deprioritize?
- Why are we tempted to treat some people as less important? What influences that mindset?
- What would it look like to love the people we tend to deprioritize the way Jesus loves them? What could keep you from doing that?

## Pray for One Another

- Spend time praying for one another's needs and for hearts that welcome, embrace, and love others the way Jesus did.
