## Connect With One Another

- **Icebreaker:**

What are you currently learning about yourself?

- **Sermon Question:**

How were you challenged by this Sunday's message?

## Look at the Scriptures

- In **Mark 10:17-27**, the rich young ruler went away sad after hearing Jesus' answer. Do you think you would have responded the same way if Jesus asked something costly of you?

## Apply to our Lives

- What is the danger of having other things that compete with the attention Jesus deserves in our lives?
- When you look at the environments around you, what messages, values, or priorities does our culture promote that compete with giving Jesus the attention He deserves in our lives?
- What makes it difficult to say 'yes' to Jesus in the areas where He is asking something costly of you?
- In those areas of your life, what would it look like to reorganize your life around Jesus? What are some practical steps you can take this week to begin doing that?

## Pray for One Another

- Pray that we would become people who follow Jesus no matter the cost.
