## Connect With One Another

- **Icebreaker:**

What are you currently learning about yourself?

- **Sermon Question:**

Was there a specific word, sentence, or idea that stood out to you from Sunday's message?

## Look at the Scriptures

- In **Mark 10:28–31**, Jesus reminds the disciples of His promises and the reward that comes from sacrificing for Him. Is this truth something you regularly hold on to, or do you find yourself forgetting it?

## Apply to our Lives

- In light of Jesus words, Sunday's message challenged us in three ways: (1) Follow Jesus through loss and sacrifice; (2) Be brothers and sisters to one another; (3) Remember Jesus' promises.

From these three challenges

- Which one has been the most difficult for you to live out? Why?
- Which one has come more naturally to you, or where have you seen the greatest benefit in your life?
- Which of these three challenges is God currently pressing most deeply into your life right now?

## Pray for One Another

- Pray that we would become people who follow Jesus no matter the cost.
