## Connect With One Another

- **Icebreaker:**

What is one of your favorite activities to do on a day off?

- **Sermon Question:**

What did you enjoy most about this Sunday's sermon?

## Look at the Scriptures

- The Pharisees asked about divorce to trap Jesus, but He redirected the conversation to God's design for marriage. Why do you think He chose to answer that way instead of giving a direct rule?

## Apply to our Lives

- If Jesus points us back to God's design, why is it important for us to understand and embrace that definition of marriage today? What's would happen if we don't?
- All of us have been shaped by what we've seen and heard about marriage—through family, culture, or past relationships. How have those influences shaped your view of marriage?
- As you've grown in your faith, is there anything you've had to unlearn or relearn about marriage? What prompted that change?

## Pray for One Another

- Take time to pray for one another's needs, and specifically ask God to renew or strengthen your commitment to His vision for marriage.
