Connect With One Another

- **Icebreaker:**

What are you currently learning about yourself?

- **Sermon Question:**

What did you find inspiring about today's sermon?

Look at the Scriptures

- **Romans 3:21–30, Ephesians 2:1–10, and Galatians 1:13–15** all present a contrast between God's favor and grace and our status as sinners. What stands out to you the most about that contrast?

Apply to our Lives

- Grace is incongruous. It is given to people who don't deserve it. How easy or difficult was this concept for you to understand when you first encountered the idea that you didn't deserve God's grace, yet it was freely given to you?
- When you think about God's grace toward you, what makes it most difficult for you to receive or fully appreciate it? Why?
- Where is God inviting you to extend grace to someone who, according to your own experience, "doesn't deserve it"? What would it look like for you to act graciously toward that person this week?

Pray for One Another

- Pray through **Titus 2:11–14**, asking God to shape you more and more through His amazing grace.
