BOUNCE HOUSES

Station Supplies:

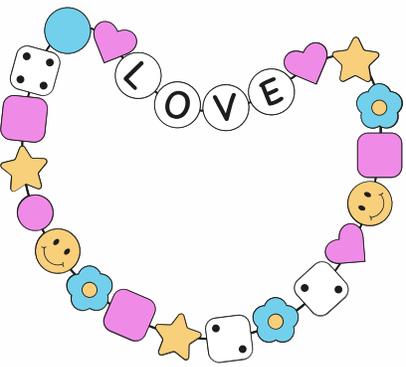

- 6 chairs
- 2 canopies
- First aid kit

Helpful Info:

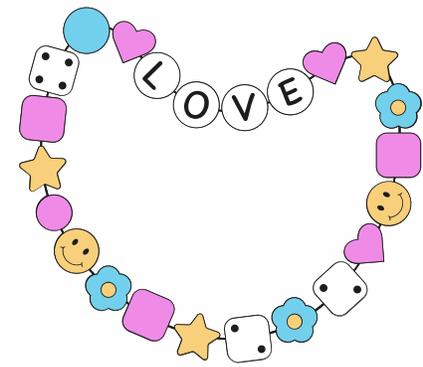

- Only 8 children may be in each bounce house at one time. Limit play time should a line start to form.
- No shoes, pets, food, drinks, or sharp objects are allowed inside the bounce houses.
- Do not mix age groups inside one bounce house; choose one bounce house for the smaller kids.
- Limit rough play and have children leave the bounce house if being too rough.

After Event (clean-up at 11:45am):

- Leave bounce houses and generator at station; the rental company will pick it up. Bring all chairs, canopies, and other supplies to the U-haul truck.

BRACELET MAKING

Station Supplies:

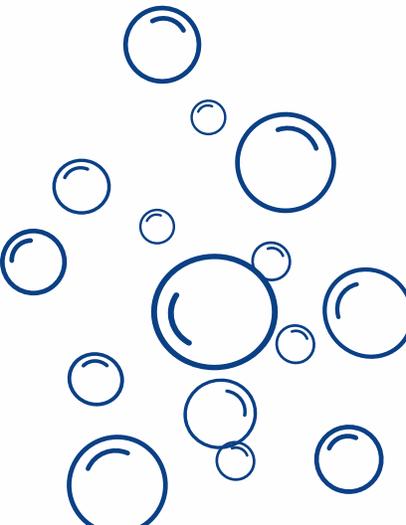

- Pony beads
- Letter beads
- Plastic bracelets
- Plastic trays for bead separation
- 4 tables/12 chairs
- 2 canopies

Helpful Info:

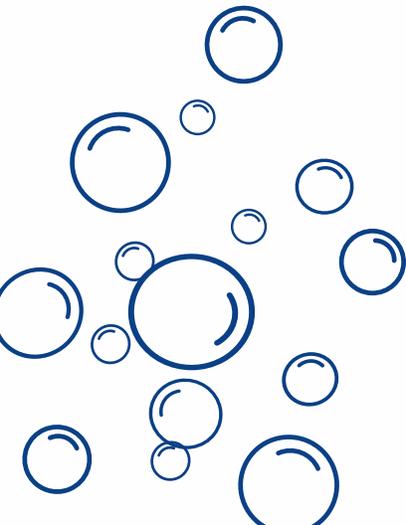

- Try and limit the number of letter beads that the children use per bracelet
- If young children come to your station, please watch that they do not put any beads in their mouth (especially if parents are not watching!)

After Event (clean-up at 11:45am):

- Clean area, wipe down tables, and bring all supplies to the U-haul truck.

BUBBLES

Station Supplies:

- Bubble solutions
- Bubble wands (assorted sizes)
- Basins
- 2 tables/4 chairs
- 1 canopy
- Kiddie pools

Helpful Info:

- The bigger wands will have separate basins of bubble solution for each wand
- Monitor the basins of solution & make sure they are not tipped over or run out of solution
- Create attention for your station by making bubbles! When kids walk up, encourage them to make bubbles.

After Event (clean-up at 11:45am):

- Pour any leftover bubble solution back into the gallon jug of solution with a funnel. **if the solution has grass or dirt in it, do NOT save it, just pour it out.
- Wipe off your tables, clean your area, & bring all supplies back to the U-haul truck. **water spicket is available by the park restrooms near the playground

BUNNY TEAM

Station Supplies:

- Bunny suit
- Bunny chair
- Backdrop & stand
- Decor
- 1 table/2 chairs

Helpful Info:

- The Easter Bunny is a big part of the Egg Hunt!
- The Easter Bunny is unable to speak (in order to hold character) and helpers will need to ensure breaks are taken and children are behaving.

After Event (clean-up at 11:45am):

- Clean your area & bring all supplies back to the U-haul truck.

CHRISTIAN TATTOOS

Station Supplies:

- Tattoos
- Sponges

- Pre-make bags so you can keep up with the crowd

After Event (clean-up at 11:45am):

- Wipe down table and clean up area & machines
- Bring all remaining supplies to the U-haul truck. Cotton candy machines can be taken over by the bounce houses.

EGG HUNT

Station Supplies:

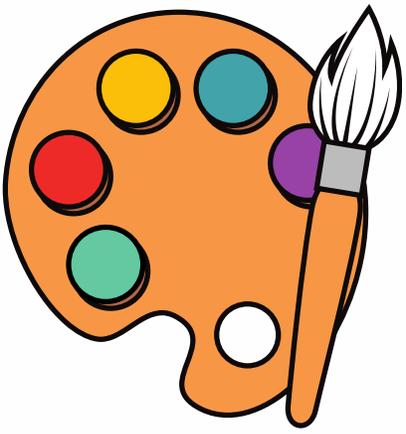

- Bags of empty, plastic eggs
- Pendant flag streamers
- Concrete bases & posts
- Megaphone
- Extra goodies
- 1 canopy

Helpful Info:

- Mark off the “hunting field” with flag streamers.
- Ensure the hunting field is completely marked off and secure before placing eggs onto the field
- Distribute the eggs & extra goodies inside the streamer area ONLY **make sure all eggs are closed
- Monitor the field to allow no one inside **volunteers should be manning the perimeter to ensure no one begins the hunt early!
- Egg hunt will begin at 11:45am

After Event:

- Ensure all supplies are cleaned up and bring back to the U-haul truck

FACE PAINTING

Station Supplies:

- Paint kit
- Brushes
- Water
- 2 tables/10 chairs at each station
- Mirrors
- Paper towels
- Hand wipes
- 2 canopies at each station

Helpful Info:

- Use the provided menu for the kids to choose what they can have painted. Please stick to only what is on the menu, other simple designs, or stencil designs.
- Please DO NOT create full face designs...this is a popular station and full face designs are too time consuming!

After Event (clean-up at 11:45am):

- Clean all brushes and paint containers **all used paint kits can be thrown away
- Wipe off tables
- Bring all supplies back to the U-haul truck

After Event (clean-up at 11:45am):

- Wipe machines & tables with clorox/lysol wipes provided.
- Pack up all supplies and return to the U-haul truck. Rental machine can go to bounce house station.

SPIN ART

Station Supplies:

- Spin art machine
- Card stock paper
- Paints
- Tape
- 2 tables/6 chairs
- 1 canopy

Helpful Info:

- 2 children can use the spin art machine at a time
- Ensure children put their name on the back of the paper before placing it onto the machine
- Lift up the gate and place a rolled up piece of tape in the center of the bracket area on the machine
- Place a piece of card stock paper on the bracketed area. Close the gate and turn on the machine
- Have children place the tip of the paint container in between gates and squeeze paint out
- You can judge how many drops/colors/time each child should be allowed to remain creating his/her spin art painting. The more paint used = longer drying time.
- In the past, people forget to come back for their paintings, so encourage them to take it with them
- If they insist on leaving artwork to dry, clip it to the drying line and let them know it'll be dry in 15 minutes

After Event (clean-up at 11:45am):

- Wipe everything off, including the table, and bring all supplies and the machine back to the U-haul truck
