

Missionary of the Month

**Jacob & Dena
Bennett**

**Reliant Des Moines
Area Community
College, Iowa**

Prayer Requests:

- **Pray for salvation and an increase in faithfulness. We are praying that the Lord increases the number of faithful students in our ministry.**
- **Pray for more student laborers. Our main limiting factor is the number of students who are laboring in the gospel and being active in making disciples.**
- **Pray our staff would be fully funded. One of my main roles as the Campus Fellowship Administrative Director at Walnut Creek Church is in helping our staff with their support raising. Each week I check in on about 10 staff who are actively raising support.**
- **Pray for the CF Network. Please pray for our health and growth as a new network and pray that more churches would want to help support our work in helping churches implement and sustain dynamic college ministries.**
- **Pray for myself and Dena. Pray that God would continue to grow us closer in our marriage. Pray also for our kitchen renovation that we are embarking on this summer and all that that can entail.**
