

Missionary of the Month

Youth for Christ

Prayer Requests:

- **Wisdom and discernment as we coach the new YFCI missionaries in Partner Development (support raising).**
- **Good contact with college students in the Fall - new contacts and also reconnecting with those who want us to follow up with them about mission opportunities for next year.**
- **Our support over the years has always been close to 100% but now we find ourselves around 82% of our budget, as quite a few of our partners have gone to be with Jesus over the last year or so. Pray that God will raise up more people to partner with us in ministry and wisdom for us to know who to contact.**
- **For good health and energy for both of us.**
