

Dear friends,

We want to thank you for partnering with us financially and prayerfully for 2025. The Lord continues to be faithful in taking care of us. It was a very fruitful year for the Cabécar church.

- We hosted our annual Bible Camp/Conference. We had around 200 attendees from all over the mountains representing every church community. It was also one of the first times we had Bribri speaking members from a neighboring tribe present. This is the beginnings of uniting the Cabécar church with the neighboring indigenous peoples.

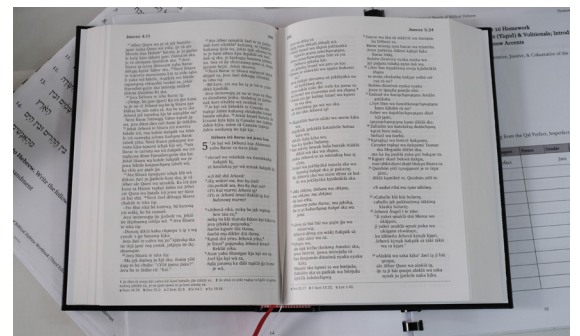

- We taught 10 monthly Bible conferences. These monthly meetings were held at the Highlands base, where we taught Scripture in depth, along with history, geography, and cultural context. A Bible that people do not read or do not know how to interpret within its cultural context does not build a strong foundational faith.

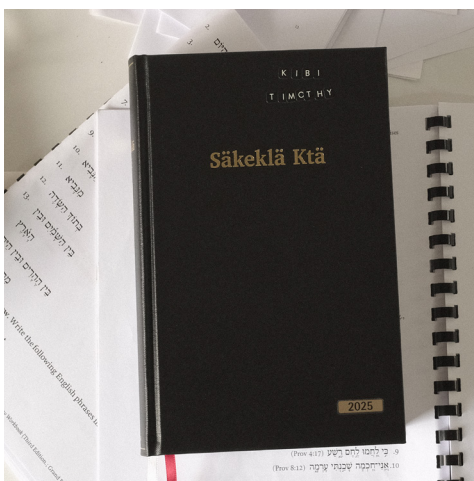

- After 10 years of only having a New Testament, we published a “Half Bible” which means it’s an intermediate publication while we finish the entire Bible. This new publication has the Pentateuch, Joshua through 2nd Samuel, 69 Psalms, Proverbs, Ecclesiastes and a revised New Testament. We had a small dedication in April were handed over the Half Bible to the church. In the last 10 months there has been wide distribution all over the mountains, around 900 have already been sold for a nominal fee.

- We started a Bible study upriver and taught 8 monthly sessions there. It takes over two hours to drive, and the roads often require chains and extra time to dig out the car when it inevitably gets stuck in the mud. The hunger to understand the Word, to know God and walk with Him has been refreshing and an encouragement to us.

- The Shelter continues to provide a place for families to live at while ongoing medical treatment or dealing with issues with the child protective services. Though there is no way to quantify the outcome of our investment in these families, they have all been shown the kindness of Jesus both through teaching and practicing Scripture.

Once again, thank you for partnering with us in what God is doing among the Cabécar people in Costa Rica.

Pray for the seed to fall on good soil (Mt 13:18-23).

In Christ,
