Hymn of Heaven

Thank You, Tusculum!

What a wonderful week we shared during this week's *Road to Rome* Vacation Bible School! Our children learned more about Paul, experienced the story of Scripture in memorable ways, and had a great deal of fun along the journey. None of it would have been possible without the many people who taught, decorated, prepared food, led activities, welcomed families, worked behind the scenes, and gave generously of their time and energy.

One of the things I appreciate most about Tusculum is the way people come together. When we partner with one another and each person offers what they can, God enables us to accomplish wonderful things. Thank you for helping make VBS such a joyful and meaningful week for our children.

That same spirit of generosity continues as we work toward becoming debt-free by Thanksgiving. We began 2026 owing approximately \$275,000 on our building. As of July 12, that balance had fallen to \$188,737—a reduction of more than \$86,000!

Our next important step is **First Fruits Sunday on August 30**, when the entire contribution will go toward eliminating our remaining debt. Thank you for every way you give, serve, sacrifice, and go above and beyond. Together, we are strengthening Tusculum for years of ministry ahead.

~Mark

Open Door Ministry

There is a new season of the Open Door Ladies Ministry starting on **August 23, 2026. THIS IS OUR 8TH YEAR!!!!** It's based on Titus 2 where we are commanded as Older Women to teach Younger Women what is good. Friendship needs to be at the root of this communication to be effective. OPEN DOOR is to develop relationships between the generations and allow a comfortable and relaxed environment to nurture those relationships. Older Women (MOMS) and Younger Women (SISTERS) of each group will meet once a month around a dinner table in the home of an OPEN DOOR MOM. They will enjoy food, fellowship and a time for discussion. OPEN DOOR Ministry offers godly women an experience to be authentic and develop true friendships that will last lifetimes. This is a small group experience that will generate close, personal, caring and real interactions within each group.
