## WRONG WAY LESSON 3

5 SIMPLE WAYS  
YOU CAN MAKE  
THIS LESSON STICK  
WITH YOUR KIDS

### THIS WEEK'S LESSON

#### 5 Simple Ways to Make This Week's Lesson Stick

##### **IN THE CAR:**

Ask your child what they learned about this week on the drive home:

The world's "wisdom" says that what we look at and play on our screens can't do us any harm. But what we see with our eyes goes into our hearts. And Jesus tells us that the fruit of our life is based on the condition of our hearts. Luke 6:43-45, Tree and Its Fruit, Philip-  
pian 4:8 & Psalm 101:3-4, Choosing Good Things

##### **HANGING OUT:**

Make this week's lesson real: Exodus 2:1-10, The Birth of Moses

What did Jesus say about good trees and bad trees?  
Does it matter what kind of movies we watch or games we play?  
What did the apostle Paul and King David say about how we should think?

##### **AT DINNER:**

Here are some great discussion starters:

Can what you watch on TV or read in a book change who you are?  
How can movies or games or music make bad ideas seem like good ideas?  
Think of a video game you like. What if the real world was really like that?

##### **AT BEDTIME:**

Quiz your child on this series' memory verse, John 14:6. Talk to them about what it means to have things in our lives (sin) that don't please God and don't help us live like Jesus. It would be better to have the parent suggest general sins rather than the child's specific ones.

##### **PARENT TIME:**

What you need to know:

In this lesson series we've been talking about knowing God's truth to help us avoid the dangers in the "world's wisdom." Today we learned that what we put into our minds and hearts is important, and it's better if we put in good things.
