5 Simple Ways to Make This Week's Lesson Stick

IN THE CAR:

Ask your kid, "Who should we focus most of our time and attention on?" Say, "Jesus!"

HANGING OUT:

Create a few places in the home to help your child get used to valuing their time with Jesus. For instance, a comfy corner with the Bible and a journal to spend time in God's word. A worship room where they can listen to worship music, dance, sing, play instruments, etc. When we intentionally create spaces for abiding in Jesus, it helps us to remember how important it is.

AT DINNER:

How did Simon Peter react when Jesus returned after being resurrected from the dead?

Did he seem like he wanted to spend time with Jesus?

Why is our time with the Lord so valuable? How does he help us? Why do we need Him?

AT BEDTIME:

Quiz your child on this week's memory verse:

"Be humble in front of the Lord. And he will lift you up." James 4:10 (NIRV)

PARENT TIME:

This week, we learned that God's SVPs remember who the MVP is...JESUS! When we humble ourselves and admit our need for Jesus, we are saved. We gave an invitation for kids to accept Jesus as their Savior. Follow up with them this week and ask if they have decided to follow Jesus and if they have any questions about what it means to accept Jesus into their heart! Jesus is the way, the truth, and the life!
