sermon: "A Brief Introduction to Power Christianity"

**A. Theme:** I grew up in a denominational background of cessationist theology – the power we see displayed in the OT with the prophets and the NT with the disciples and Apostles passed away with the passing of the Apostles. I will briefly outline what changed in my life regarding that belief, and how they can harness this power in their own life/struggles/ministry:

- Influence 1** - Missionary biographies: Corrie ten Boom, Brother Andrew, Hudson Taylor, and many others.
- Influence 2** – Messiah’s final words before ascending to heaven  
Mark 16: 15-18 “And these signs will accompany those who believe...”  
Paul’s prophecy to Timothy 2 Tim 3: 1-5 “Mark this, there will be terrible times in the last days for .... many will have a form of godliness but denying its power. Have nothing to do with them.”
- Influence 3** - My own experience of living by faith (law school) and the call to international missions. What we regularly experience.

**B. The centrality of FAITH in power Christianity:**

- Define “faith”** – Heb 11:1 “Now faith is—the ASSURANCE of what is...”

**C. Your faith will be tested:**

- Nahum 1:7 “The Lord knows those who put their trust in Him.”
  - Example 1:** Boy David vs the MONSTER (1 Sam 17)
  - Example 2** King Hezekiah and tiny Judah facing off with the Nazis of the Bronze Age (2 Kings 18-19)
  - Examples from the lives of famous missionaries** – Corrie, Bro Andrew, George Mueller, Hudson Taylor
  - Examples** from my own life/walk

**D. Principle of micro defeats but MACRO victories.**

COME AS YOU ARE, BECOME WHO GOD MEANT YOU TO BE.
