## Generosity is Discipleship

Generosity is not about equal gifts. It is about equal surrender.

Jesus taught that where our treasure is, our heart follows.

Faithful giving is one of the clearest ways we align our lives with God's mission.

Many of us are faithful — but faithful below our capacity. This is not about comparison. It is about prayerful alignment between what God has entrusted to us and how we steward it.

## Moving Up Together

If more of us give from our capacity we can:

- Fully fund a Special Needs Ministry
- Add a Pastor focused on Young Families
- Maintain our campus with confidence
- Invest in strong communication to share JWMC
- Honor our strong and effective staff
- Infuse all areas of ministry with momentum

You are personally invited to prayerfully consider becoming part of the Generous Remnant.

## What Would It Take

If just 77 faithful households prayerfully take a next step, and give an average increase of \$3,000 per year, we could generate \$175,000.

An average increase of \$5,000 per year would generate \$300,000.

The dream would be 100 households join the faithful remnant for the next five years with an average giving of \$4,000 per year, we would fully fund the mission God has already given us.
