

2026-2027 GOAL

FLEX *for the* MISSION

The WHY

Over the next season, our campus will undergo several exciting renovations, including improvements to our sanctuary, welcome center, parking areas, and adding an outdoor space for the children. During part of this process, our worship services will temporarily move to the gym, and some campus routines will shift. But this season is about more than construction. It's about mission.

John Wesley is the mission because we are called to be a living community that connects people to Jesus, actively growing and reaching others in faith every day. Every time we flex, adjust, serve, or show patience, we are growing deeper in our alignment with God. The key phrase will be, "I'm flexing for the mission!"

How do we "FLEX FOR THE MISSION"

- 1 CHOOSE FLEXIBILITY**
We choose patience, joy and positive, knowing every adjustment helps the mission move forward.
- 2 HELP SOMEONE FIND THEIR WAY**
If you know where to go, help someone else get there. If you don't know where to go, help someone find the answer. Serve others by walk with guests, offer positive suggestions, make people feel at home or simply be a guide of light in another's darkness.
- 3 INVITE SOMEONE**
This is a great season to invite people. Many people feel comfortable attending church in a more relaxed or temporary setting. Invite a friend, neighbor, or coworker to join you.

- 4 SPEAK LIFE**
Culture spreads through conversation. Instead of focusing on inconvenience, we will pledge to celebrate the opportunity. Our buildings may shift, but a joyful attitude in Christ must always be present.
- 5 SERVE WHEN NEEDED**
This season creates new opportunities to serve. When our church needs help, we must step in.
