Dear Friends,

Just like that the first quarter of 2026 is just about over! As I sit here on this rainy Tuesday afternoon and reflect upon what God has been doing here, I cannot help but be amazed at His grace and goodness. The work is often slow and difficult. And the results are often not immediately visible. But we trust that the Word of God will continue to break the rock in pieces, and that all of Chuuk's islands will truly know what it is to know the Lord.

The audio Bible recording was supposed to happen last year, but due to some difficulties with paperwork we were forced to postpone it - once again - until the beginning of this year. Near the end of January our new friends from Indonesia, Happy and Rina, arrived with a fully functioning professional audio recording kit and we got to work! If I'm being honest, I probably laughed a little on the inside when Brother Happy said that his goal was to finish the project (which is recording all twenty-seven books of the New Testament with multiple voice characters) in just four weeks. That meant that we not only had to read, check, and edit within that time frame, but we also had to go back and listen to the entire New Testament to make sure it all sounded correct.

But thanks be to God - and Happy's stubborn insistence - we completed the recording in just three weeks and spent the fourth week making final edits and listening. Let me tell you, few projects have been as intense and demanding on

all fronts as this one! All of the hours, fatigue, stress, and difficulty were worth it because in just a few short months Chuuk will have its very own recording of the Audio Bible that will be available to everyone! "Faith comes by hearing, and hearing by the Word of God!" Amen.

***Gym Update:** Over the last month gym attendance has exploded and we are now averaging 21 men and teens during our weekly open-gym hours. They often take their time and stay right up until closing. During this time when it is just me and about ten young men, I have started sharing the verse of the week with them and directly share the Gospel each time. Keep praying for the gym - it is having an impact on the island and in our ministry.
