Prayer Letter

January 2026

Blessed Start to 2026

It is common to feel optimism and excitement for the beginning of a new year, and 2026 has us feeling both of these sentiments!

So far this year we have seen **six professions of faith in Christ** and we have witnessed **three baptisms** of new believers declaring their loyalty to Christ publicly.

Our youth staff organized our first youth camp as a church. They had over **forty teenagers** participate from our church with many of the young people growing in their faith and making spiritual decisions.

Our church men's group, "Los Fareros", started a new initiative to grow in **biblical masculinity** while also **mentoring** the young men in the same process of maturity. At our first meeting, one of our ministry leaders who owns a machine shop gave a demonstration on how to use a grinder to sharpen tools and then gave the men in attendance the opportunity to try their hand at the newly learned skill.

We also had our first visitors of the new year! Dallita's brother and niece came for a visit from Virginia. They are not only family, but they have been faithful supporters since the beginning of our ministry through prayer, encouragement, and active participation in giving. So it was a blessing to show them **what God has done** here in Honduras over the past 20+ years and see the fruit abounding to their account.

Prayer Requests

Pray for the missionary family being sent from our church in Honduras to a restricted-access nation. They have begun the process of raising support. Please contact us if you would like more information on how to contribute to this advance of the gospel in the 10/40 window.

Pray for God to use our upcoming enrichment conference for missionaries to encourage and strengthen the gospel workers in this region.

Pray for God to supply house parents for the children's home ministry.
