**BIMI** MISSIONARY  
EMERITUS

Dear Friends:

Thank you again for praying and giving faithfully. I spoke recently with national pastor Keith Lovelace of Trinity Baptist Church in Trinidad and He gave a good report as to the faithfulness of the believers in the various churches there that we have been privileged to serve in since becoming missionaries with BIMi about 30 years ago. We thank God for His faithfulness in every area.

During these past months Brenda had one local hospital stay due to dehydration. We also have made several trips to Cleveland Clinic as specialists have placed stents in her main liver duct, as well as follow-up appointments with other specialists. We also must return to Cleveland twice in the next few weeks for other scheduled appointments. February 13<sup>th</sup> will mark the two-year anniversary of her liver transplant, so she will be having routine scans on February 11<sup>th</sup>, then on February 19<sup>th</sup> she will have a procedure to either remove or replace the stent. Her liver function numbers have greatly improved in the last few weeks, for which we are grateful. One year after her transplant she had another major surgery. Considering all God has brought her through, she is doing as well as could be expected. I had an oncology appointment last week and a scan is to be done on me again in about three months.

We have had many opportunities to speak to folks about eternity and heaven recently and have been privileged to give out many gospel film cards/tracts, also. Pray that these efforts would bare fruit to the glory and honor of God.

In Christ,

*John and Brenda Gossett*
