

March 2026

Dear Supporters and Friends,

Thank you for your prayers for our family over the past month. We have clearly seen the Lord at work in several ways and are excited to share these updates with you.

Our first official service at the Bible Center went very well. While most in attendance were believers from our partner church, we were encouraged to see one couple who had previously visited arrive, even though they came a bit late. After the service, one of our team members had the opportunity to speak with Solange. She shared that although she had been touched by the music and the welcoming atmosphere, the message that day spoke to her on a much more personal level. Please continue to pray for Solange and André—that the Lord would continue working in their hearts and draw them to Himself.

We are also thankful for how the Lord is opening doors in Mantes-la-Jolie. After extended conversations with the leadership there, we have developed a plan that will allow our family to serve in that church on Sunday mornings. The congregation received this news with joy, and we are eager to come alongside them as we seek to encourage and revitalize the ministry. As we take on this additional responsibility, we would greatly appreciate your prayers for wisdom, organization, and good time management. Please also pray that the Lord would raise up and provide a man to be trained as a full-time pastor for this church.

On the home front, it's hard to believe that our little Inès has already celebrated her first birthday! She has recently started walking and keeps us busy as she happily babbles throughout the day. She has a strong and joyful personality and especially enjoys chasing the cat around the apartment and keeping her big brothers on their toes. We are so grateful for this past year with her and look forward to watching her grow and, one day, come to know and love the Lord.

Thank you again for your continued prayers and support. We are deeply grateful to be serving alongside you in this ministry.

In Christ,

The Guins Family
