

THE BLESSING BULLETIN

March 26, 2026

THANK YOU!!

It was a blessing to celebrate God's faithfulness with friends throughout this month. Thank you so much for praying for "Reimagining Esther". It was a wonderful time of remembering that the same God that was faithful then is faithful now. It also gave me the opportunity to take the Blessing mission "on the road" to a young lady heading into full-time ministry overseas. Thank you for making The Blessing possible everywhere I go!!

MARCH CELEBRATIONS

I celebrated 55 years of God's faithfulness on March 1st. A wonderful church service and donuts from my favorite local small business was followed by lunch with friends that I met back in 2024. I ended the day with an obligatory birthday selfie after enjoying a beautiful walk on the beach and the magnificent sky that God painted for my special day.
