Dear Friends

The first service of Sound Doctrine Fellowship (SDF) in Hammarsdale was a success! This church plant was also a direct result of the evangelistic radio program of our colleague Pastor Nkosi. There were so many call-ins from this area that we started a virtual Bible study last year. The group continued to grow, and we prayed about sending a pastor and several families from SDF Montclair to start a church in Hammarsdale. God blessed with a high school room which the congregation fixed up to rent each week. Praise the Lord for furthering His Kingdom! ★ Durban, South Africa

Another Cool Thing

Please praise the Lord with us because the municipality finally approved our church building plans! It has been over 3 years, and since then some regulations have changed that need a final approval. This will take about 3 months. Then we should be able to start demolition. The devil is still throwing some darts, but with your prayers we should be able to start this summer. God is so good!

Some Other Stuff

This summer we will be visiting 13 of our supporting churches. We would also love to connect with our individual donors and give you a personal update on the amazing work God is doing in Durban, South Africa. Send us an email so we can get you on our calendar. We would love to see you!

Please pray for us...
