

June: A little of everything!

Dear praying friends,

June has been a little bit of everything; from helping with an ECA middle school fieldtrip, to connecting with lots of friends "one more time" before I head to the states, to participating in a mini-retreat/strategic planning meeting with the ABWE team here to pray and brainstorm about next steps in the church plants and the mission field of Spain, to saying "hasta luego" (see you later) to many church friends, to checking off items on my "furlough preparation" lists such as sending emails, making a new prayer card, and PACKING!

The past week and this week, I've also been helping at Torre Fuerte church with the Bilingual VBS program. We went back to two weeks of this camp because 2 different churches wanted to come help with this outreach event! I've been doing the English lessons with the teens, and that has been very fun. Pray that the Word of God that has been taught will take root in hearts.

And good news: I have my new residency card! I picked it up earlier today and thank you to all who prayed for me and for the appointment to go smoothly.

"But truly God has listened; He has attended to the voice of my prayer."

Psalms 66:19

"Under the Sea" Bilingual VBS. The beginning of July, back in 2019, I came to Spain (for the 2nd time) with my friend Julia to help with this very same camp theme at Torre Fuerte church. Then, I had the opportunity to tour the school (ECA) and to start praying seriously about the desire God had given me to "teach overseas" and serve the Lord as a missionary in a foreign field.

A short term missions trip is great for so many reasons: you get to see and participate in what God is doing in another culture or context, you get out of your "routine" and have to practice things like flexibility, patience, and humility. Your eyes are opened to better pray for missionaries and those who don't know Christ as Savior. And who knows? God may use that trip to change your life in more than just small ways, for His kingdom and glory.

Praises this month:

- the blessing of Christian friendships
- helping with the Bilingual VBS at church
- I have my new residency card!

Prayer Requests:

—**Travels during Furlough:** Not just for my flight to the USA tomorrow, but also as I travel by car or plane to visit family, friends, and churches when stateside.

—**For God to use me as His vessel** as I share with churches, small groups, and individuals, for wisdom and clarity in both the preparation of scheduled speaking engagements and for "unplanned" opportunities God gives me to testify and share about Christ in the states.
