

# JENN MORLA MISSIONARY TO THE DOMINICAN REPUBLIC

## WE ARE...LAS PALMAS

Las Palmas is seeing many wonderful things take place. This week, our high school is hosting a mission group from Florida who is leading special chapel services. The worship music each morning has been a true blessing to our school community.

Before Christmas break, I stepped back into the classroom and am now teaching 7th grade science twice a day. It has been a joy to spend time with the students again. While this was not originally part of my plan, God has graciously provided the time and energy needed to serve in this way.

We are also quickly approaching Dominican Independence Day on February 27, along with the many activities and celebrations that accompany this special occasion. Did you know that the Dominican Republic is the only country in the world with a Bible on its flag?

## FAMILY UPDATE

Jean Carlos stays busy with both his job and the coffee shop, keeping him very active.

Chloe is growing so quickly and continues to learn new words every day. She loves to imitate what she sees Hannah doing, which is both sweet and fun to watch.

Our greatest blessing is that Hannah made the decision to accept Christ on January 13. We are deeply thankful for the influence Las Palmas has had in her life and that she recognized her need for Christ at such a young age.
