January 2026

Dear Pastor and Church Family,

Thank you very much for being our partners in spreading the Gospel. As we begin this new year, we are evermore grateful for your prayers and support. God hears and answers prayer! A very big thank you to those who gave special Christmas offerings to us this past year! We are humbled by your kindness and generosity.

Christmas season was another opportunity to share the Gospel. We had a wonderful service followed by an amazing meal. Everyone worked hard to make it special and the Lord blessed with two visitors. This year the church was able to purchase 150 calendars for 2026 with Bible verses and the plan of salvation. All but a few have been given to friends and family. We are praying that we will see fruit through these efforts.

Isaiah 37:31 says “...take root downward, and bear fruit upward:” We have adopted this Scripture as our theme for the work this year. We are praying that God will continue to help us grow as individual Christians and also as a church. If our spiritual “root system” is right and healthy, we will be strong for the Lord and bear fruit for His glory. Praise the Lord for His Word that encourages us!

We have been blessed recently with new visitors at church. It's been great to have a couple of foreign exchange students from Germany coming to our services. Carla and Lubina have been coming for about nine months. Two weeks ago, they brought their host “mother” with them to church! She teaches in the high school here in St-Quentin. After the service she told me that it was the first time she has been to another church other than the Catholic church. She said that she noticed a difference right away and wants to know what we believe. Praise the Lord for an open door to share the Gospel! She came again last Sunday and said that she will come to the next monthly ladies meeting that Jennifer leads. We were astonished at the number of people who came last Sunday in the middle of a snowstorm. Praise the Lord that He is working in hearts and lives!

It's a blessing to see people grow in the Lord and make decisions for Him. A lady who has been coming for quite a while contacted Jennifer and me about being baptized. She expressed her desire to be baptized in the church as opposed to a lake or river in the summer. We see the need of the church having a portable baptistery and are praying to that end. Her husband, who we know well, has yet to receive the Lord and we are praying for his salvation.

I was contacted last week by a young French-Canadian man that our boys used to play football with many years ago. We know his parents and two brothers. He has since earned a degree in computer design and works for a company in our town. He is looking for direction in his life and I was blessed that he reached out for general advice. We met for lunch and he wants to meet again at the church. I am praying that the Lord will continue to allow me to be an influence and one day lead him to Christ.

Your prayers are having an impact on our ministry. Only the Lord can touch hearts and change lives. Thank you for making a difference in people's lives through your faithfulness.

In Him,

Dan Post
