Prayer Letter

March/April 2026

Spreading the Word

At the end of March we had the awesome privilege of traveling to Santiago, Chile to minister in the seminary there started by missionaries Jason and Lori Holt. The seminary hosts an annual conference called "Multiply" (Multiply Yourself) in order to strengthen the churches in the area. The conference centers around the preaching of the Word of God and Christian fellowship. Matt was the speaker of the conference, with the focus this year being on spiritual warfare. Over the two days of the conference there were five general sessions and one split session in which we were able to share our grief journey with the men and women respectively, specifically through the lens of spiritual warfare. It was encouraging to see what the Lord has done and is doing in the country of Chile. We were also able to visit and Matt had the opportunity to preach in three churches on Sunday -- all pastored by Chileans.

Prayer Requests:

1. Honduran family on deputation to take the gospel to N. Africa
2. Land need for church plant in southern El Progreso
3. Impact of summer ministry teams

final day of missions conference

In April we had our annual missions conference at Iglesia Bautista El Faro. Our speaker this year was Pastor Carlos Navarrete from Greater Rhode Island Baptist Church. The church responded with our highest faith promise commitment ever! We were also able to highlight the missionary couple that we are sending out as a church to a country in northern Africa. They have started deputation in earnest here in Central America. Pray for our church to be faithful to follow through with the faith promise commitments that were made and for Christ to be glorified through the missions effort!
