

Dear Prayer Partners and Beloved Friends in Christ,

Grace and peace to you from God our Father and the Lord Jesus Christ! Before anything else, we want to say from the bottom of our hearts: *thank you*. Thank you for lifting us up before the throne of grace. Thank you for standing in the gap for our family during one of the most uncertain seasons we have ever walked through. Your prayers have been our lifeline, and we are deeply grateful for each and every one of you.

God Answered Your Prayers!

We are thrilled to share with you a powerful testimony of God's faithfulness. As many of you know, we asked you to pray for the approval of an apartment here in the Greenville, South Carolina area. What followed was a week-long trial of faith that tested us to our core.

For over a week, we searched, applied, and waited — but door after door closed. Nothing was working out. We reached a point where we could no longer stay at the hotel, and we began packing our bags to head back to Michigan. We did not understand what the Lord was doing. We were discouraged, confused, and honestly, wondering if we had heard Him correctly about Greenville.

But God — oh, how we love those two words! **On the very day we were checking out of the hotel, at the very last minute, we discovered that the Lord had already prepared a place for us.** He was working behind the scenes all along, in ways we could not see or know. While we were worrying, He was providing. While we were packing to leave, He was opening the door.

We praise God for His incredible provision! He is never late. He is always right on time. And He answers the prayers of His people. **Your prayers moved the hand of God on our behalf, and we want you to know that you are part of this miracle.**

Our Continued Needs — Will You Keep Praying?

While we celebrate God's provision of an apartment, we still have significant needs as we settle into this new chapter of ministry. We come to you once again with humble hearts, asking you to continue to intercede for us:

1. **Provision of a vehicle** — This remains our most urgent need. Without a car, we cannot visit churches to share our burden for India. Even running basic errands for daily necessities has been extremely difficult. A reliable vehicle would transform our ability to serve and sustain our family. Please pray that the Lord would provide.

2. **Kitchen utensils and household supplies** — We have a place to stay now, but very little to put in it. We need basic kitchen utensils to cook meals for our family. Any provision in this area would be a tremendous blessing.
3. **A bed and mattress** — Currently, our family is sleeping on an air mattress. While we are thankful for it, we ask that you pray for God's provision of a proper bed and mattress so that we can rest well and be refreshed for the work He has called us to.
4. **Walmart gift cards for groceries** — If the Lord lays it on your heart, Walmart gift cards would help us purchase groceries and essential supplies for our family. Digital gift cards can be sent to: joel@themadasus.com
5. **The ministry and families in India** — We ask for your earnest prayers for the believers in India. The RSS, a radical group fueled by hatred for the Gospel, is growing rapidly. They are attacking churches, threatening pastors, and terrorizing Christian families. This group is backed by millions of Hindu nationalists who fund their violent agenda. The enemy is working overtime to stamp out the light of Christ in India, and our brothers and sisters there need your prayers more than ever.
6. **The United States of America** — What many may not realize is that the RSS has established a main office right here in Washington, D.C. Please forgive me if this is hard to hear, but I must speak the truth in love: this nation, in the name of religious liberty, has opened its doors wide to ideologies that stand opposed to the Gospel of Jesus Christ. We need to pray for our governing bodies, and specifically for states like Texas, Florida, New Jersey, Georgia, and California, where large concentrations of radical Hindu populations reside. These precious souls need Jesus. These states need more missionaries. Please pray that God would raise up His soldiers — bold, Spirit-filled men and women — to carry the Gospel to the unreached, both here and abroad.

How You Can Help

If your church would like us to come and share our burden for India and our testimony of God's faithfulness, we would love to hear from you. We are ready and willing to go wherever God opens the door. **Please reach out and let us know — we would be honored to visit your church and share what God is doing.**

If you would like to help with any of the needs listed above — whether through prayer, financial support, household items, or gift cards — we would be deeply grateful. Every act of generosity, no matter how small, is a powerful reminder that the body of Christ cares for its own.
