Biblical Ministries Worldwide  
Church Plant Catalysts in Utah

December 2025

**Merry Christmas**

## Continue to Pray:

- Rejoice with us over our adoption being completed.
- Pray for us as we make plans to build a church building on our newly acquired property.
- Pray for the McGrath family as they seek the Lord's direction on planting a church in Utah. Continue to pray for the Ramsey family as they seek the Lord's direction too.
- Pray for our family as we lead and serve the Utah field. We have 25+ missionaries, planting 10 churches, a Christian Radio Station, and a trades school for training bivocational ministry leaders.

Thank you for continuing to partner with us to reach Utah for the Lord.

## Great News And Not So Great News !!!

We are thankful to share some wonderful news. Our adoption has officially been finalized! For the past several years we have asked you to pray as we worked through what became a five-year journey toward finalizing our international adoption. What was originally expected to take six months in 2020 stretched into years because of immigration challenges and delays.

But today we rejoice to announce that

Robert is now legally our son. In our hearts and home he has been family from the very first day he arrived, and we are grateful that the legal system has finally caught up to what we have long known. On December 4th the adoption was completed, and we are praising God for His faithfulness. Next step is to complete his citizenship.

The very next day brought some unexpected difficulty. As Stacy was pulling out of our neighborhood to pick up one of our children from school, she was involved in a

car accident. One of the vehicles flipped upside down. By God's grace, no one was seriously injured, though there was some bruising from seatbelts. We are incredibly grateful for the Lord's protection.

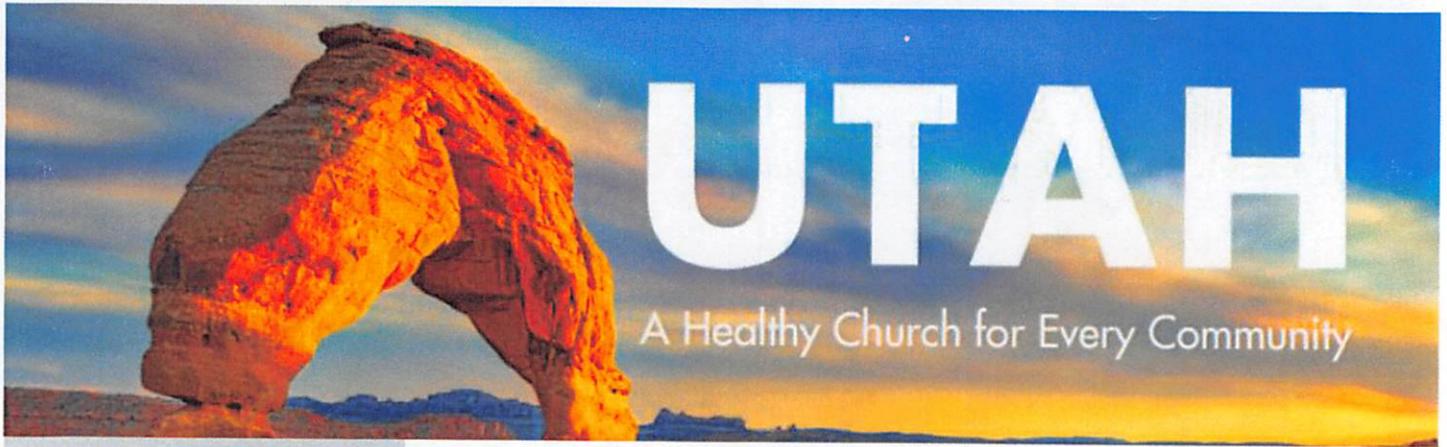

However, we are now navigating the insurance process and the challenge of being a family of six without a working van. This makes daily life a bit complicated.

Thank you for your ongoing prayers, both for the joy of our finalized adoption and for wisdom and provision as we work through the vehicle situation. We are grateful for each of you.

## Missionary Gatherings

This past month we hosted a church planters conference with more than 120 people in attendance. We were blessed to have several speakers share with us. One speaker I was especially excited to welcome was Matt Hulan from Bible Training Centre. Matt led a couple of excellent sessions on how to develop leaders within the local church. I also had the privilege of leading three different sessions related to church planting.

**Vision Trip**

*College students visiting a new church plant*

We also hosted our annual vision trip to Utah. During this trip, we invite ministry leaders and Bible college students to visit the Utah field, learn about Mormonism, and see firsthand the spiritual needs and gospel opportunities in our state. This year we hosted 20 Bible college students, three faculty members and their wives, along with church leaders from Georgia, Colorado, and Texas. If you are ever interested in being involved in Utah ministry, we would love to have you consider

joining our vision trip each November.

**Are You Interested in a Missions Trip?**

We are seeking a few more churches to join us this June for a missions trip. Utah is only 2% Christian, and the need for gospel work is tremendous. It is a meaningful place to serve and we would love to partner with you. If you or your church are interested, please let me know. You can bring a group or attend individually. More information is available at [Faithelevated.com](http://Faithelevated.com).

**More Church Planters Needed**

We continue to see growing interest in church planting in Utah. Recently **Broderick McGrath** from California visited and spent some time with me. Since then, we have been in conversation about his desire to move to Utah and plant a church alongside our network of churches. May the Lord help us see a healthy, Bible-preaching church in every Utah town.

**Christmas Candlelight**

This Christmas Eve our church is planning to hold our Christmas Candlelight service in a large venue. We are devoting significant resources doing our best to invite our entire community. Our prayer and goal is to see **1,000 people** attend to hear the gospel. Please pray that the Lord will guide, provide, and open hearts as we share the hope of Christ.

With gratitude and hope,

Nathaniel & Stacy Wall

**We hope you have a Christ honoring Christmas! We are thankful for you.**

*We thank the Lord for LMBC!*
