Biblical Ministries Worldwide Church Plant Catalysts in Utah

February 2026

Continue to Pray:

- Pray for us as we make plans to build a church building on our newly acquired property.
- Pray for our upcoming missions trips. We want to impact the lives of these students as they are exposed to ways they can serve the Lord
- Pray for our family as we lead and serve the Utah field. We have 25+ missionaries, planting 10 churches, a Christian Radio Station, and a trades school for training bivocational ministry leaders.

Thank you for continuing to partner with us to reach Utah for the Lord.

Missions Trips

In March we will be hosting two missions' teams. One team is made up of college students from two different Bible Colleges, and the other team is a group of High School Seniors from a Christian school in South Carolina. We are expecting a total of 55 people between both groups. They will learn how to share their faith with Mormons as they engage with Mormon missionaries. They will also serve local church plants & learn about the spiritual need in Utah. If you are ever interested in a missions trip, reach out and let me know. We would love to have your group join us. You can go to Faithelevated.com for information on missions trips we offer.

Church Planters Conference

On March 13th, I will be hosting a church planters conference. We anticipate 150 people in attendance. This includes men, women, and their children. The goal is to encourage, equip, and connect current and potential church planters as we strive to establish healthy churches in every Utah town. I have a few special speakers lined up for the conference. I will lead a session somewhere in the mix. While the parents are being encouraged and prayed for, we also take time to encourage the kids through field trips, lessons, and activities.

Internships

Over this next year we anticipate a few interns joining us. This summer we expect an intern from Texas named Maddie. Next fall we will also have two interns joining us for a year long internship. One named Bailey and the other Mattie. If you or someone you know is ever interested in interning in Utah for a summer or a year, please reach out.

Home office visit

A few weeks ago, I traveled to the Headquarters of Biblical Ministries Worldwide in Atlanta. I spent time giving reports, discussion church planting, and sharing with global missionaries.

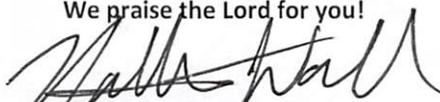

Help

Stacy and I work hard in ministry. We run a church plant organization, oversee 25+ missionary church plant couples serving in 10 church plants, a trades bible college, and a Christian radio station. In addition, I also pastor a church. The past years have been exceptionally rewarding and also seasons that are tiring. We are seeing God do incredible things but it's also too much to sustain. We have been praying for someone who could come along and help us. At the end of January, we feel like we have identified this they plan to join our team in August and I am thrilled! I will introduce this family later but for now, I rejoice.

Family spotlight: Grayson was awarded as top student in his school for this quarter.

We praise the Lord for you!

Nathaniel and Stacy Wall

Praying for LMBC!
