## PRAYERS ANSWERED

Thanks so much for all your prayers! I safely arrived at each destination. I had a great visit with Oasis Rest International colleagues in SC. This was followed by a great week with friends and ministry partners in NC. I have included a picture below. Finally, I arrived safely at my mom's house in WV on Saturday evening.

## IN THEIR OWN WORDS (GUEST SURVEY IN SEPTEMBER)

"Wendy gave us the opportunity to unwind completely and do whatever we would like the first day and again every morning we were there. On the day that my roommate was debriefing, I had the entire day to explore the area and enjoy some alone time. I think that's really important that people feel safe and comfortable to really be able to rest and do what brings joy and purpose in the down time. I felt safe to sleep in, sip coffee, and spend time with the Lord when not in a session. During my debriefing, she listened well but stayed interactive so that it didn't feel like I was just boring her to death or talking to myself. The guided questions were helpful to be reflective and introspective as I walked through my timeline. My transition began a few months back, but accessing these tools at this point gave me a chance to work on my timeline without being overly emotional. Her perspective comments of her own life on the field were both comforting and encouraging. She truly has a hospitable spirit that only comes from a deep walk with Jesus!"
