

# Compassionate Women Initiative

Sharing Christ Impacting Communities

August 2021

Dear Lewis Memorial Baptist Church

I want to thank you for all that you have given this past year! CWI fiscal year ends in June.

You continue to make the ministry of Compassionate Women Initiative possible here in Uganda.

You helped with the Lockdown once again in 2021 because of COVID-19. Although the 42-days lock down is over. There are many hungry families. We are expecting a third wave by October.

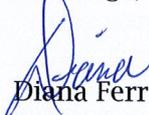

Because of you, we were able to feed 300 families and our 30 Grace ministry clients. We fed them with \$15 a family. We want to continue as we will have more days to be locked in. You might not know that most families in Uganda eat each day on what they earned at day. It is hard when there is a lock down. No one is moving to buy and this last time the taxis were not crossing the district boards.

During the lock down we were able to have a radio talk show each Saturday of July. We reached many families that needed to hear that Jesus can be their help. Many people were encouraged by our Trauma Healing team.

The month of August we hope to have our Wise Choice for Life team to talk about domestic violence and teenage pregnancy. Because of everyone being at home these two things have accelerated. Your gifts help us to buy airtime on the radio. This will help us to reach more people during these unprecedented times. To be on radio for 4 weeks is \$250 maybe you would want to sponsor a month.

Some of your feeding program money went to help 50 clients of Rays of Hope Hospice here in Jinja. Yes, we have Hospice. They help families facing terminal illness and last days of HIV. They are doing a great job. However, they have over 600 clients. Their feeding program only costs \$10 a month. Maybe you would like to help me to help them.

Blessings,
