THE LOWES . ABWE MEMBER CARE. MK MINISTRIES

Dear Prayer Partners,

Ecclesiastes 3 reminds us that there is a time for everything, and as we look at the world around us we see much chaos, but we also see that God continues to complete His work for His glory in the midst of the chaos. He remains in control, and we can rejoice knowing that He will make His name known in all the earth!

We have been praying for and encouraging our missionaries who have had to flee Ukraine and Russia due to the war. Their hearts are breaking as they have had to leave the land and people they love. They remain in contact with friends who give reports of destruction and who hear bombs falling near them. I can't even begin to understand what they are going through. Many of these missionaries also have kids who have had to leave behind their home and friends, not knowing when or if they will return. Please pray for us that God will give us wisdom as we encourage them with His truth!

While we mourn with those who are mourning, we also rejoice with those who are rejoicing! We had the privilege of having 32 new missionaries, who joined ABWE in March, at our latest Missionary Orientation. They will be serving in over a dozen different countries. They are just beginning the process of preparing to get to their fields of service. Our Member Care team will be coming alongside them to encourage them and pray with them on a regular basis. Pray that the Lord will raise up churches and individuals that will partner with them in the work that God has called them to!

We continue to meet with missionaries who are in the States due to evacuations or who are beginning

that they face.

We look forward to the celebration of our Savior's resurrection this coming Sunday! Because He lives we have hope, and we have Good News to share with a world that is lost and dying! We pray that you have a great day celebrating our Savior!
