Daphne's Birthday

Ministry Wives

January and February were months filled with birthday celebrations and prayer. Our family is excited about all the possibilities this new year holds. We prayerfully wait to see how God will bless and provide for our family and church. On the first day of 2026 our church came together for a Church Ramble. It was a wonderful opportunity to fellowship together as we hiked through local woods. These rambles often create opportunities for individuals to walk all with one another and get to know someone that they don't normally interact with on a Sunday. Evan celebrated his 20th birthday on January 10th. Our church held our annual Weekend of Prayer on Friday-Sunday January 9-11. Five separate prayers meetings were held in order for the church to pray for the new year, ministries of the church, and missionaries. As always, it was a great time to begin the new year. Audrey celebrated her 18th birthday on January 25th. Please pray for her as this term, her final, will conclude with several important exams which will determine her future university options. Ashley had a wonderful time at the London Ministry Wives Conference on Saturday February 7th. It was a great time for her to connect with local pastor wives and to receive encouragement from God's Word. Our church held a board games night Saturday February 7th. It was a fun time of fellowship and competition and a great opportunity to get to know one another better. Audrey and Daphne had a week off of school in February for half-term. It's always nice to have a break in our routine. Daphne celebrate her birthday on February 20th. Keep her in your prayers as she completes exams and finishes her last year of primary school. It was wonderful to welcome Papa into membership on Sunday February 22nd. Thank you all for your prayers and support!
