

BRIDGING LONDON

May and June were months full of endings and beginnings. Audrey graduated from Chislehurst School for Girls on Friday May 1st and is now making plans to attend college in the states. Please pray for her through this transition. Joshua had the opportunity to attend a U.K. Fellowship Network meeting on May 6-8. This is a great group of local British ministers working toward greater partnerships with U.S. based churches, ministries, and seminaries to further the Gospel across the U.K. Ashley held a Ladies Brunch on Saturday May 9th. The ladies continued their study of women in the Bible. Joshua and the Coldharbour men had the opportunity to attend a one day Men's Conference at Elmstead Baptist Church on Saturday May 16th. It was a helpful time learning about what it means to be a biblical man in a modern world. On Wednesday May 20th, Joshua attended the monthly Ministers Lunch at The Slade Church. This time with local pastors has always been such a help and a highlight of each month. Joshua had the great privilege of baptising Colin on Sunday June 7th. The church was packed for this special service and we had a wonderful time of food and fellowship afterward.

We are back to the U.S. on Furlough. Our plan is to be in the U.S. for a year, but first, we are taking some time off with family this summer before we hit the road in September. We're looking forward to reconnecting with our supporting churches. Our last Sunday at Coldharbour was June 14th. We loved serving this church and are praying that God continues to grow the Gospel reach of this congregation. We are thrilled to be handing over the leadership of the church to our dear friend Pastor Josh Fortune. Josh grew up at Coldharbour and he and his family will be a wonderful blessing to the church. Thank you all for your prayers and support!
