

The Mexico Mission

Happy Summer,

Please disregard an email that was sent out yesterday, unless you are from the Bay Community church. There was a system glitch, and it was sent to all subscribers.

Here are the updates from April - June of 2026.

Starting in April we were able to visit Texas, and while there Cade attended the Ironmen mens conference at Willowpark Baptist church, and Judith attended the ladies conference also at Willowpark Baptist. It was a blessed time of rejuvenation, encouragement, and time spent with our families, and members from our home church (Aurora). At the beginning of April, Judith served in the children's ministry, and at the end of April she participated in ladies Bible study. We both attended a leader's meeting on the 29th. April was a time of prayer, rest, and renewing our spiritual, and physical energy.

May consisted of leaders meetings, Judith working in the children's department, a mother's day celebration at the church which Judith helped organize, new ministries, and home visits with some of the members of El Vástago. Mariana and Judith were able to visit a woman named Juanita from the church, to pray for her, share scripture, and offer encouragement. Simultaneously Cade was with Heriberto visiting a couple of young guys from the church to also pray for them, and encourage them. Cade also had the opportunity to speak all in Spanish during "Crecer Joven", which is a combined youth and young adults ministry at the church. He spoke to them about their influence, and importance in this world with sharing the gospel. We also were able to help Mariana and Heriberto move, along with some other members from the church. This month was a time of growth for the church leadership, while also being extra intentional in our time with individual members of the church.

June started off a little crazy, with Cade having 2 wisdom teeth extracted without being put to sleep, and instead given 15 numbing shots in the mouth. While it was an unexpected event, his surgery went well, and he recovered quickly. Here is to the first (of hopefully not many) surgeries in Mexico! On June 10th we flew back to Texas so that we could prepare for an upcoming youth camp. June 12th we celebrated 6 years of being married! Time flies so fast, and we are blessed to have each other. June 14-19 we had the privilege of riding to camp with Aurora Baptist, and leading worship at Minnetonka Christian camp. There were 30 salvations, and many other decisions made throughout the week. The Holy Spirit was present through the worship, every message, during "Just my church" time, and even in the unexpected times. On the 25th we flew back to Mexico, on the 26th Cade's great grandmother, Jean Withers, passed away, and we received a call on the 27th asking us to come back to Texas for the funeral on July 2nd. We hopped on a plane June 29th, attended the visitation on July 1st, and had the privilege to sing at her funeral and graveside on the 2nd. She had requested that we sing at her funeral, along with having funds donated to the Mexico Mission in lieu of flowers. She lived a beautiful 102 years, and we are blessed to have known her, and now see her legacy continue on. Thank you to those who reached out, prayed, or gave a card; we appreciate your support, and love. We flew back to Mexico on July 4th, and are excited to see how the Lord continues to use us.
