SPRING UPDATE 2026

I really like the French translation of **Psalms 5:3**. It simply reads like this, ***"In the morning, you hear my voice. In the morning I prepare myself for you and I wait."***

It doesn't get much simpler than that. We have a creator who made us and knows us intimately. His reason for creating us is to have a personal relationship with us. That relationship is made possible by the death and resurrection of his son, Jesus. He hears our voice when we talk to him. We are to prepare ourselves and wait expectantly for

Him. What a privilege it is to be a child of God!

We had seven families join us for our **"inclusive camp,"** which is designed for families with children with disabilities. We intentionally keep this session smaller because it's often times difficult to find enough qualified staff. Praise God for this great group of people, some who travelled many miles to serve!

The families that join us deal with some very difficult trials on a daily basis, including rejection. Here's one quote I won't forget, ***"Our family is not always welcomed everywhere we go. Here we know that we are always welcomed, cared for, and loved."***

We had several weekend groups this spring! These groups are sometimes small, but very meaningful for the participants.

Alpha Bible study group from our church.

Tri-church youth group weekend that included Rhea and Flo's church (and them as leaders).

Summer prep weekend with our counselors

Rhea's baby shower.

Spring is also a time for **work projects**. Last year one of our service team members saw the state of our heating system and decided to come and replace it. He not only did all the work, but his business also financed the project. Mike was a huge blessing!

FAMILY STUFF

Terah is moving, but not out of Daymark quite yet. Her longtime friend and roommate, Holly, moved back home to help her parents, so Terah will be moving into another cottage with new roommates. Thanks for praying for her.

Rhea & Flo should be parents any day now! We're all ready to welcome this great gift from God into our family, but no one more so than Rhea. Thank you for all your prayers leading up to this special moment. A little one will modify their involvement this summer, so they're trying to be wise about how much to commit to.

Noah, Stephanie & River just purchased and moved into a new home there in Saint Louis. They're quite excited and blessed to be in their own place. Their second little miracle is scheduled to arrive the end of July. Thank you for praying for safety for mom and baby.

With much gratitude,
Tom & Brenda
