June 2026

The One Where We Went To The Mountains!

Aside from my grandpa's house, Estes Park, Colorado is my favorite place on Earth!

We took 7 students to GetAway* this summer! They had the opportunity to bond closely with one another through games & spiritual conversations.

*GetAway - Cru High School's Summer Conference usually in Estes Park, Colorado

The students spent much time at the basketball courts, mini golf, volleyball courts & walking around the YMCA. In the photo on the left, you can see a glimpse of us playing h-o-r-s-e. (LOOK at that background!!)

To the right you can see the Carrollton winners of the talent show! She sang an operatic song that blew everyone away. She won first place! The boys sang a Michael Jackson song with some choreography. They won third place!

The Girl's Cabin Time at GetAway was definitely a highlight. They were able to share about what they learned throughout the sessions & seminars, as well

as share the experiences they had & people they met.

This moment for bonding was crucial for creating a new sense of belonging within our group! Not just for the camp, but for the summer & school year! They are the core of the girls side of the ministry at the moment & I am looking forward to seeing how their faith grows.

This photo was taken during our **Day of Outreach**. We train the students up at camp, split them into groups, give them a specific place to walk & they evangelize to those they encounter!

The students had 24 conversations, 13 of those were spiritual conversations,

which led to 11 Gospel presentations, praying with 11 people & **1 decision for Christ!**

My friend!

Thank you for your support. This summer has been an intense one for me. I know it's been an intense one for many of y'all too. Your continued commitment to pray means so much to me. Thank you for remembering me & my ministry in your prayers. (Don't feel guilty if you haven't been!) Still thankful for you (:

Tell me how I can be praying for you! Shoot me a text anytime, really.

"Then he said to them all, "If anyone wants to follow after me, let him deny himself, take up his cross daily, and follow me." Luke 9:23

Denying myself daily becomes increasingly difficult. I have thought patterns & hurts that I have a habit of clinging to. I drift into autopilot constantly. Denying myself has been my biggest difficultly. Maybe you struggle similarly. May we reject the habits & comforts we nestle into that keep us from the growth on the other side. May we break the thought processes that keep us stuck. Join me in denying myself, taking up my cross & following Him, no matter the cost <3

PRAYER REQUESTS

- **that the ladies encounter God in a profound way**
- **that the bonds created at camp continue well beyond that week!**
- **that the students invite their friends to join them at Cru happenings**
