August 2026 Ministry Update – Nicaragua

Firsts - Furlough - and the Future

Time for Furlough

We are officially on furlough! Over the next several months, we will travel across the country visiting churches and reporting all that God has done in Nicaragua over the past decade. We are grateful for every church and individual who has helped us plant churches, train pastors, and reach families with the Gospel. If we were not able to schedule your church during this furlough and would like to have us come report to your people, please contact us at kennedys2nicaragua@gmail.com.

Even while we are away, construction continues on three church properties!

Epicentro Estelí has returned to its property after completing the perimeter wall. Our next goal is to raise funds to build an auditorium where this growing congregation can worship and minister.

Epicentro Villa Sandino is also progressing beautifully. The apartment for the Pastor and his family is nearing completion, and they hope to move in within the next month.

Epicentro Los Rincones recently celebrated its first anniversary! More than 120 people from all our churches gathered to celebrate this young congregation. The roof is now complete, and work on the concrete floor will begin soon.

What a blessing to see three churches building and growing at the same time! Please pray for our national pastors, their families, and the ministries they lead while we are away. We will remain in constant communication with them as we travel.

Thank you for your faithful prayers, encouragement, and support. Together, we are seeing God build something that will reach Nicaragua for generations to come.

Please pray for Jennifer and me as we travel many miles over the next few months. We can't wait to share all God has done through your faithful support over the past decade here in Nicaragua!

If you'd like to help us finish all our building projects, You can give your donations through the BBFI Missions Office and your gift will be tax-deductible. Please send whatever amount God lays on your heart. You can give online at:
