MINISTRIES INTERNATIONAL

Robert & Debby Lugar

Have you ever noticed that when you set out to be a blessing to others, you end up being blessed in the process. That certainly has been our experience during the last couple months at the One Another Ministry Center in the UK.

The end of COVID restrictions has allowed many international Christian workers to finally seek the help they have needed for some time. We knew our colleague, Twala, was carrying more than her fair share of this load, and we were hoping to be a blessing both to her and to the missionaries God sends our way.

Of course, the fact is that our time here has been a huge blessing to us as well. We have been able to continue working with some on line, in addition to those whom God has brought to our ministry center to seek help in person. This has included Christian workers of many different nationalities and serving around the world -- including western and eastern Europe, Central Asia, South America, and Oceania.

It has also been a real blessing to spend some time with Twala as well as with some of our friends and neighbors from our years living here. Thank you so much for partnering with us in prayer for this time.

We are now beginning to prepare for a board and staff working retreat that will be held here in Cannock in two weeks, with some beginning to arrive next week. Fourteen board and staff members will be participating in person in this time of discerning God's will for this ministry for the months and years to come. We are so looking forward to spending these days with friends and co-workers who share a heart for strengthening and encouraging international Christian organizations and workers.

In addition to participating in the retreat, Debby will also be preparing most of the meals and providing the hospitality. So we are trying to prepare as much as possible before everyone arrives.

Thank you for praying with us for this important time that will set the direction for the ministry, and for our return to the States at the end of this month. Your friendship, prayers and partnership make this ministry possible.

Working together for Christ,

Robert & Debby Lugar
