

MARSH LANE UNIVERSITY

CURRENT AFFAIRS

GOAL

This class is not about telling you what to think about every headline. It is about teaching you how to let Scripture shape your thinking before the news shapes your emotions.

CLASS VERSE

Romans 12:2 - *“And do not be conformed to this world but be ye transformed by the renewing of your mind that you may prove what is that good and acceptable and perfect will of God.” NKJV*

WORLDVIEW

A worldview is simply the lens through which we interpret everything we see. It functions as an emotional and intellectual filter that dictates how people make decisions, form morals, and find purpose.

It answers questions such as:

- *What is good?*
- *What is true?*
- *What has value?*
- *Who has authority?*
- *Why are we here?*
- *How should we live?*

BIBLICAL WORLDVIEW

FOR CURRENT AFFAIRS – SOCIAL ISSUES OR WORLD EVENTS

Intellectual humility - you don't know everything

Emotional maturity - feelings matter, but they do not carry authority

Biblical Fidelity - we are faithful to the Scriptures; that's why it's called a Biblical view

Faithful living - obedience

THE PATTERN

Facts only
