**CROSS-CULTURAL MISSIONARIES
TO SPAIN AND LATINOS**

June 9, 2026

Today we are heading to Spain for five weeks! We have been extra busy tying up loose ends here in Michigan and making sure that the ministries we currently take care of have been prepped for us to be away. In addition, we've still been handling details for the summer ministries in Spain. We have a young man from our church in Michigan travelling with us to help out for this first week. We're excited he is able to go, and ask that you pray that God would work in and through him while he's there. When we arrive, we will "hit the ground running" with the first group arriving the day after we do! In addition to immediately beginning a restoration project on the putt putt course at the camp, we will have our first ministry day right away on Saturday, June 12. **Please pray for the publicity of this evangelistic event in Villa Nueva de Trabuco where we are working alongside a new church plant. Pray for good attendance and that hearts will be open to gospel conversations!**

One thing we've been working hard to get set up in Michigan before we leave is the two soccer tournaments we have planned back here in August. The first is only two weeks after we get back, on August 1, and is in a new location for us, two hours from our home base. Last month, Bill was invited to an orientation of migrant workers where they were able to hand out over 400 Spanish New Testaments and flyers for the soccer tournament. (see photo) We have a team of workers coming together for that event and feel confident that God is supplying every need. **Please pray for more teams to sign up and that God will bring just the people who need to hear His Word that day!** The next tournament will be two weeks later on August 15th. We hope to see more teams sign up for that event as well. For the gospel presentation, we have native Spanish speakers lined up for both events. Bill will be travelling again from August 18- September 8 to both Spain and Senegal. He has another young man from Three Rivers going with him to see the ministries there and assist in planning for the evangelistic basketball team Bill plans to put together to go over to Senegal in 2027. **Please pray for safety during all this travelling and for fruitful visits with missionaries and nationals.**

Just last week a man who has attended our services here in Michigan pretty regularly for some time now prayed to trust Christ. It's moments like that that remind us why we do what we do! **Please pray for this man, "D," that he will continue to grow in his faith and take the next step by being baptized.** A supporter recently asked us why we travel so much and "isn't it expensive?" When nationals ask us to participate in evangelistic events and projects we pray for God to open doors. When it is God's will, He provides! The extra trips that Bill is able to take have been provided for by designated offerings and special gifts. That provision itself is confirmation to us of His guidance and watchcare in our lives. We count it a privilege to be a small part of what God is doing in the world, and we are grateful for each of you who so faithfully prays for us and who in many cases support the ministry financially. We ask that God will continue to pour out his blessing on you as we serve Him together and look for His coming!
