## General Information

### Objective

This class is designed to move beyond simply discussing the Holy Spirit into actively experiencing and responding to Him. The goal is not merely information, but transformation and activation. Each session will include biblical teaching, open discussion, guided practice, and opportunities to step out in faith.

### Requirements

Participants will be encouraged to cultivate a lifestyle of prayer, surrender, sensitivity, boldness, and obedience to the Holy Spirit throughout the four weeks.

### Additional information:

Each week of class will consist of 45 minutes of teaching and discussion, then 45 minutes of activation, practice, prayer and stepping out in faith. Come prepared to be engaged with The Holy Spirit.
