Small Group Bible Study Leaders

Adult Choir

Annual Trinity Family Picnic

TKBH Teachers

Don't have
our APP?
Download
it here!

We're excited to help everyone stay connected through our app! Each of these tiles will take you right to the place where you can find the information, resources, and updates you're looking for.

As we continue getting comfortable using the app together, we'll keep these tiles in the weekly newsletter to help guide you along the way. Over time, the newsletter will become a quick snapshot of what's happening, highlighting 4-5 key events and reminders each week.

For the most current events, news, and information, the app will be your best resource. We encourage you to "Check the App" regularly and stay connected with everything happening at Trinity!
