CHERRY CREEK PRESBYTERIAN CHURCH SERVING THE CITY

MAKE AN ETERNAL DIFFERENCE IN A YOUNG PERSON'S LIFE.

As we prepare for the upcoming school year, consider investing in the life of a child or teenager through tutoring or mentoring with one of our Christ-centered ministry partners. While this kind of service can be challenging at times, it is also deeply rewarding, transformational, and true Kingdom work. A consistent, caring presence can make an eternal difference in a young person's life. Prayerfully consider joining one of our amazing ministry partners as they equip and encourage the next generation. Please check out the web sites and/or reach out to me to learn more about these AMAZING ministries. Cmendes-ellis@ccpc.life
