We kick off our Fall Pacesetters season with a riveting presentation from our very own **Evan Mazunik and Bohee Paek**! Evan and Bohee will present on a **History of Hymns**, a discussion on the history, significance of, and stories behind 3 familiar hymns we all know and love. After learning more about these hymns, we will finish our time together by moving to the sanctuary to sing them together with the organ accompanying us. Come enjoy an uplifting time of worship as we usher in a new Pacesetters season together!

Friday, October 16th

Richard and Elizabeth Engkjer are long time members of CCPC and have been supported by our congregation as medical missionaries to Ecuador for 29 years. In that time, they have seen God do amazing and miraculous works in their ministry. Richard and Elizabeth will share the story behind how God led them into the missions field, stories and testimonies of lives that have been touched and changed through their ministry, the ways God has grown their faith over the years, the challenges they have faced and overcome, and the ways CCPC's support has blessed them to make a real difference. Come hear about the work God has done, and is doing, around the world through this amazing ministry. Lots of pictures included!

Friday, November 20th

Donald Stratton was a USS Arizona survivor whose courage during the attack on Pearl Harbor became a testament to resilience, sacrifice, and service. This month, **Nikki Stratton**, Donald's granddaughter and a ship sponsor, will join us to discuss her grandfather's legacy and story of survival, using personal family insights and historical perspective. She will also discuss the future of the USS Arizona, how we honor the heroes of the past, and how we inspire the next generation of Americans who will carry this legacy forward. Come enjoy this time of storytelling, legacy, and remembrance!

Friday, December 18th

Come one, come all! Pacesetters will once again be having our annual Christmas Luncheon at Heritage Eagle Bend Golf Club! We will enjoy a catered luncheon from the clubhouse, and we will welcome back, by popular demand, CCPC's own "**Back Creek Boys**," who will perform and lead us in the singing of some of our favorite Christmas carols. Come join us as we celebrate the holidays and usher in the coming of our Newborn King!
