SEPTEMBER

Someone once said, "I rolling stone gathers no moss, but the rolling stone doesn't care. Momentum is what it wants to gather." We have had a great August! We had some time to ReConnect to the Lord and to the church. We had a great Fall Kickoff. The start to connection groups has been promising. And also, we have had some packed services on Sunday mornings. I feel like, as September hits, we are like that rolling stone that is gathering momentum. The only thing that will stop a stone rolling downhill is an obstacle. We should all make sure that nothing in our lives will be an obstacle that slows the momentum of the church! There have been a lot of good things happening in the church: people coming to the Lord this summer, a LOT of babies being born, and the fresh faces of many new visitors. Let's make sure our lives are a part of the momentum that keeps the stone rolling!

God Bless,
Bro. Ty
