Say This:

Before the Activity:

Today we learned that God made plants and those are very good things that God made! Our Bible verse is all about that. Let's say the verse together: "God saw all that he had made, and it was very good." Genesis 1:31. Great job! Now, let's make something to help us remember that. We're going to make flowers with our hands!

During the Activity:

You'll start by making a handprint on top of this flower stem to create the flower petals. Then, you can color your page.

After the Activity:

Wow! Your flowers look amazing! Take them home and tell your family the Bible verse! "God saw all that he had made, and it was very good." Genesis 1:31.
