

Next Step Class – Session 10

The bible we use is the New Believer's Bible – First steps for new Christians by Greg Laurie

Let's watch the video for session 10 – "Baptism of the Holy Spirit"

Video Notes:

When you get saved:

When you get saved the Holy Spirit comes to live inside of you, giving you new life. He, the Holy Spirit guides you, and convicts you of sin.

Empowerment:

The Holy Spirit empowers you – Acts 1:8 (page 135)

Believers are filled:

Believers are filled with the Holy Spirit for the first time – Acts 2 (page 136)

Out pouring of supernatural power:

There was an outpouring of supernatural power given to everyone who was in the prayer room. Once everyone in the room was empowered, they took this power to the streets and changed thousands of lives. Thousands were saved and baptized in water. Many miracles took place.

Evidence of being empowered:

Our church supports the belief that once you have received the Baptism of the Holy Spirit, you will have the ability to speak to God using a special prayer language. You may not understand the language, but your Heavenly Father will. The Holy Spirit will empower you to live a powerful Christian life.
