PRESIDENTIAL ADDRESS - Rev. Dr. Renn Law

Dear Chosen Ministers,

It is my pleasure to extend the warmest and richest blessings from myself and the AECC Board and Staff to you and yours! We miss you all greatly and can not wait for the opportunity to see everyone in attendance at our Biennial Conference 2026' coming up this August in Orlando, FL. Your Regional and State Coordinator should also be connecting with you soon for your local gatherings with more details ahead of time. Especially as we prepare to celebrate dedicating our Nation back to God on May 17th, 2026 I would ask that you continue to pray and stand unashamed for Jesus in the U.S.A! These are very critical times for us not to shrink back with the Gospel message and to keep our Churches alive and thriving before His momentous return. Celebrating 250 years of Life, Liberty and the Pursuit of Happiness in the Lord, is something that we should all give God praise for in a free country! As the American Evangelical Christian Churches we are forever thankful for the sacrifices of all those who went before us to grant us such privilege and freedom to worship our King without restraint. We must keep these present blessings and prospects for all of the future generations that the Lord allows, for many more centuries to come!!!

As usual if there is anything that you need from us to help support or bolster your missions in the Lord, please don't hesitate to contact us through our various means and communication channels. We are always here for you, your Ministries and families in whatever way we can and as the Lord wills for us to be.

Hope you have a wonderful Resurrection Sunday! See you all soon.

In His Love,
Rev. Dr. Renn S. Law II
President of the AECC

Welcome and Thank you to Aps. Jovan Ramos!

I'm grateful to serve alongside each of you on the AECC board. One of the things I've learned in working with churches and missional organizations is that clarity changes everything. When leaders are clear, teams align, decisions accelerate, and impact multiplies.

When I first walked our board through the Clarity Map process, the goal was simple. To help us get honest about where we are, aligned on where we're going, and intentional about how we get there. Clarity isn't just a helpful tool, it's a leadership responsibility, and it creates the kind of focus that allows teams to move forward with confidence and unity.

Scripture reminds us of this in Habakkuk 2:2, write the vision and make it plain so those who read it can run. When vision is clear, people don't just understand it, they move with it. That has been my heartbeat in this space, helping leaders slow down long enough to get clear so they can move faster in the right direction.

Through Alter Co., I get to do this work every day, walking alongside churches and organizations to bring structure to vision, alignment to teams, and clarity to leadership. I genuinely love serving in this space and partnering with leaders who care deeply about their mission and want to grow in a healthy and sustainable way.

Grateful to be on this journey with you all.

Happy Spring Blessings!

As we enter the spring season, we are reminded that God is always in the business of bringing new life out of what once looked dead and dormant. Spring is a picture of hope, renewal, and fresh beginnings, and it points us directly to Resurrection Sunday.

On Resurrection Sunday, we celebrate that Jesus did not stay in the grave. The resurrection reminds us that darkness does not win, death does not win, and hopeless situations do not have the final say. Because Jesus rose, we have hope, new life, forgiveness, and a future. Just like the earth comes back to life in the spring, the resurrection reminds us that God can bring life to anything that feels dry, broken, or buried. Nothing is too far gone for Him.

This season, may we remember that the same power that raised Christ from the dead is still at work today, bringing new life, new hope, and new beginnings.

He is risen!!!

From,

The AECC Board & Leadership Team

INDIA MISSIONS

There are so many amazing things happening in India through the excellent stewardship of Rev. Hannah and Pastor Ranjan.

They continue to hold church services despite the scrutiny of the government.

Clothing is also collected and dispersed to children living in slum conditions.

They are very grateful to the AECC for our support and we ask that you would continue to prayerfully contribute to their ministry as led by the Lord!

30 to 50 people regularly gather every Wednesday to receive spiritual training, a meal, as well as groceries for the month.

GRENADA MISSIONS

The AECC Missions Dept. has recently partnered and established a connection with Pastor Cephias Belfon and his wife and ministry on the unique island of Grenada, West Indies. This amazing Ministry has been serving the Lord faithfully and spreading the Gospel among other Churches throughout the Caribbean.

From their evangelistic heart posture to the anointed worship tunes they release all over the beautiful island mountain ranges "Harvest Time Assembly" is a blessing to all who come in contact with them!

Our personal goal is to continue supporting, encouraging and championing them all to stay active, effective and winning the lost in the Caribbean for many years to come!!!

"Kamayama" Freetown, Sierra Leone

We have resumed the Church work here in "Kamayama" Freetown, Sierra Leone. We have started the Work of God, in the form of home fellowship, the last Sunday in the Month of February, 2026. The reason being, is that we don't have space, or any permanent structure on our own. We shall continue with this method of home fellowship, and community outreach, and keep believing God until we secure a permanent structure.

Moving forward, we give glory to God for the last home fellowship in February. Up to 22 souls gave their lives to Christ and prayers were offered for them, and their families. We also prepared food for those who attended home fellowship. We use the feeding of the 5000 method in John 6. - Rev. Philip Fengai

The Empty Tomb and the Living Hope - Evg. William Rameau

My beloved brothers and sisters in Christ,

As we gather during the holy season of Easter, we are reminded of the greatest turning point in human history: the resurrection of our Lord and Savior Jesus Christ. The empty tomb is not merely a moment in the past; it is the living foundation and cornerstone of our faith and the eternal declaration that sin, death, and darkness do not have the final word...God always has the final word!

On that early morning, when the women approached the tomb with grief in their hearts, they expected to find a sealed grave. Instead, they encountered a miracle. The stone was rolled away, and heaven proclaimed the victory:

“He is not here; He has risen, just as He said.” Matthew 28:6”

This message still echoes through every generation. It echoes through every church sanctuary, every mission field, every prayer meeting, and every heart that calls upon the name of Jesus.

The resurrection tells us three life-changing truths:

1. Christ’s victory is complete.

When Jesus rose from the dead, He defeated the power of sin and death forever. The cross was not a defeat; it was the doorway to redemption. Because He lives, we know that God’s promises never fail.

2. Our hope is alive.

In a world filled with uncertainty, the resurrection reminds us that hope is not based on circumstances but on a living Savior. The same power that raised Christ from the grave now works within those who believe.

3. Our mission continues.

The risen Christ commissioned us to carry the Gospel to the world. As members of the AECC, we are called to be witnesses; sharing the message of salvation, healing, and restoration with every nation, tribe, and tongue.

Easter is not just a day we celebrate; it is a life we live. Every act of faith, every prayer offered, every soul reached for Christ is a testimony that the risen Lord is still moving among His people.

When we forgive instead of holding bitterness, we demonstrate resurrection power.

When we stand for truth in a broken world, we demonstrate resurrection courage.

When we proclaim the Gospel boldly, we demonstrate resurrection hope.

The empty tomb reminds us that God specializes in bringing life out of what seemed impossible. The question is how can you personally live out the power of the resurrection in your church, your family, and your community this Easter season?

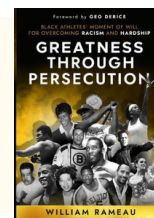

Let’s pray: Heavenly Father,

Thank You for the gift of Your Son and the power of His resurrection. Fill our hearts with renewed faith and boldness to proclaim the Gospel. Let our churches be places where lives are transformed, hope is restored, and Your glory is revealed. May the message of the empty tomb inspire us to serve, to love, and to reach the world for Christ. In Jesus' name I pray, Amen

We are seeking devotions from our AECC membership that we can reproduce in a book, place on the website and on the AECC app. This is a great opportunity to share with other members of your denomination! For the sake of uniformity, we are asking for members to initially submit one to three devotions, consisting of 250 to 300 words each, give or take a few, not including the scripture verse. The format we are suggesting is a scripture, the devotion, and then concluding with a thought provoking question or challenge to action.

Please include your name so that we can give you credit and also your contact information in the event we have a question. Each of these will be reviewed and added to our collection so that we can hopefully produce a nice book that will be made available to AECC membership and to others. The AECC reserves the right to edit all submissions. Please submit your devotions to ministriesaecc@gmail.com or use the form via the link provided. If sending an email: please put in the subject line "devotion submission" to help identify devotions. We look forward to hearing from you as you allow the Holy Spirit to guide you in sharing a few words with us.
